

Day 1

During our opening celebration, Sr. Catherine Barange, Superior General, called each Province and Region by name. One by one, we the delegates entered the Chapter room singing in different languages: “We are one, all is one, we are all one”, “Somos una en todos los caminos”, “Seigneur rassemble nous dans la paix de ton amour”.

Gratitude for all that has been, confidence, hope, openness, trust in the Spirit guiding us into the future were among some of the words shared by delegates, expressing how each one came to General Chapter.

As each delegate was called by name, she then took a piece of a puzzle and placed that piece on a board. When all delegates had placed their piece, what was before us was that of the world upside down.

Yes, during these coming days, we will be called to view the world with a new vision, respond creatively to new appeals and go deeper into the charism. We ended the day with the celebration of the Eucharist.
